HORSE AND DONKEY SPONSORSHIPS

One of the most important parts of our Equine Assisted Therapy program is the animals; most people do not realize the costs for their care and maintenance. Generous donations from our horse and donkey sponsors help make the miracles happen for our clients.

Stable Hands Horse and Donkey Sponsors help to provide the necessary funding to keep our wonderful herd happy and healthy. On average, it costs approximately \$75 per month to provide food and bedding along with dental, veterinary and hoof care. In addition to the finances required to keep them healthy and fed, there is also the cost of manpower hours to exercise, groom and care for the herd. Sponsorships are very important as they help to support the backbone of our program: our wonderful therapeutic riding.

Private Giving: A fun and unique way to sponsor your favorite member of the Stable Hand Herd! Sponsor a horse or donkey as an individual, family or in honor of a loved one.

Corporate Giving: A perfect way to show your support by sponsoring one of our amazing animals and a great promotional tool for your company. We are also looking for donations for our expansion campaign to build an indoor, heated arena so that we can offer services year-round.
